Dear Mr. Wills:

As Mayor of Long Beach, I want to take this opportunity to thank you for your donation of materials, time, and labor. Words can never express our sincere appreciation for the compassion shown to our city.

We realize the great sacrifice you made at your own expense in order for the Hurricane Relief House to become a reality. We will forever be endeared to you for your kindheartedness and dedication.

I hope you will continue to remember Long Beach in your prayers as our city recovers and begins to rebuild. Pray for the citizens of our city and for their leaders as we move forward.

Sincerely,
